REDEFINING DESIGN INSPIRING TOMORROW

Where the **V** becomes the
new language of luxury

In today's world, design has evolved beyond surface beauty; it has become the true identity of a space. The **V** represents this evolution as a symbol of clarity, confidence and forward-thinking aesthetics. Through a balance of minimal boldness and refined luxury, the **V-BOOK CRAFTED** Collection introduces a fresh design direction that elevates every interior with presence and personality. Each sheet embodies precision, purity and modern sophistication, offering not just a laminate but an experience of taste and vision. Crafted for the next generation of architecture and interior spaces, this range reflects tomorrow's expectations while delivering today's excellence, redefining how luxury is understood, seen and lived.

CRAFTED COLLECTION

THE
VALUES
BEHIND
V-CRAFTED

The **V** is not just a visual form.

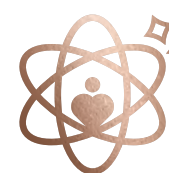

VISION

Design begins with imagination. **VISION** represents our ability to look ahead - to create surfaces that belong not just to today, but to the interiors of tomorrow. It reflects progress, innovation and the constant pursuit of redefining modern luxury.

VISUAL IDENTITY

A design becomes memorable when it speaks for itself. **VISUAL IDENTITY** gives the **V-BOOK CRAFTED** Collection its unique character - modern, premium and instantly recognisable. The V becomes a signature style, expressing clarity and confidence in every application.

VALUE

Luxury feels incomplete without reliability. **VALUE** stands for the trust and durability that VIR Laminate has built over time. Every sheet delivers performance, strength and lasting satisfaction - proving that true design must be beautiful and dependable.

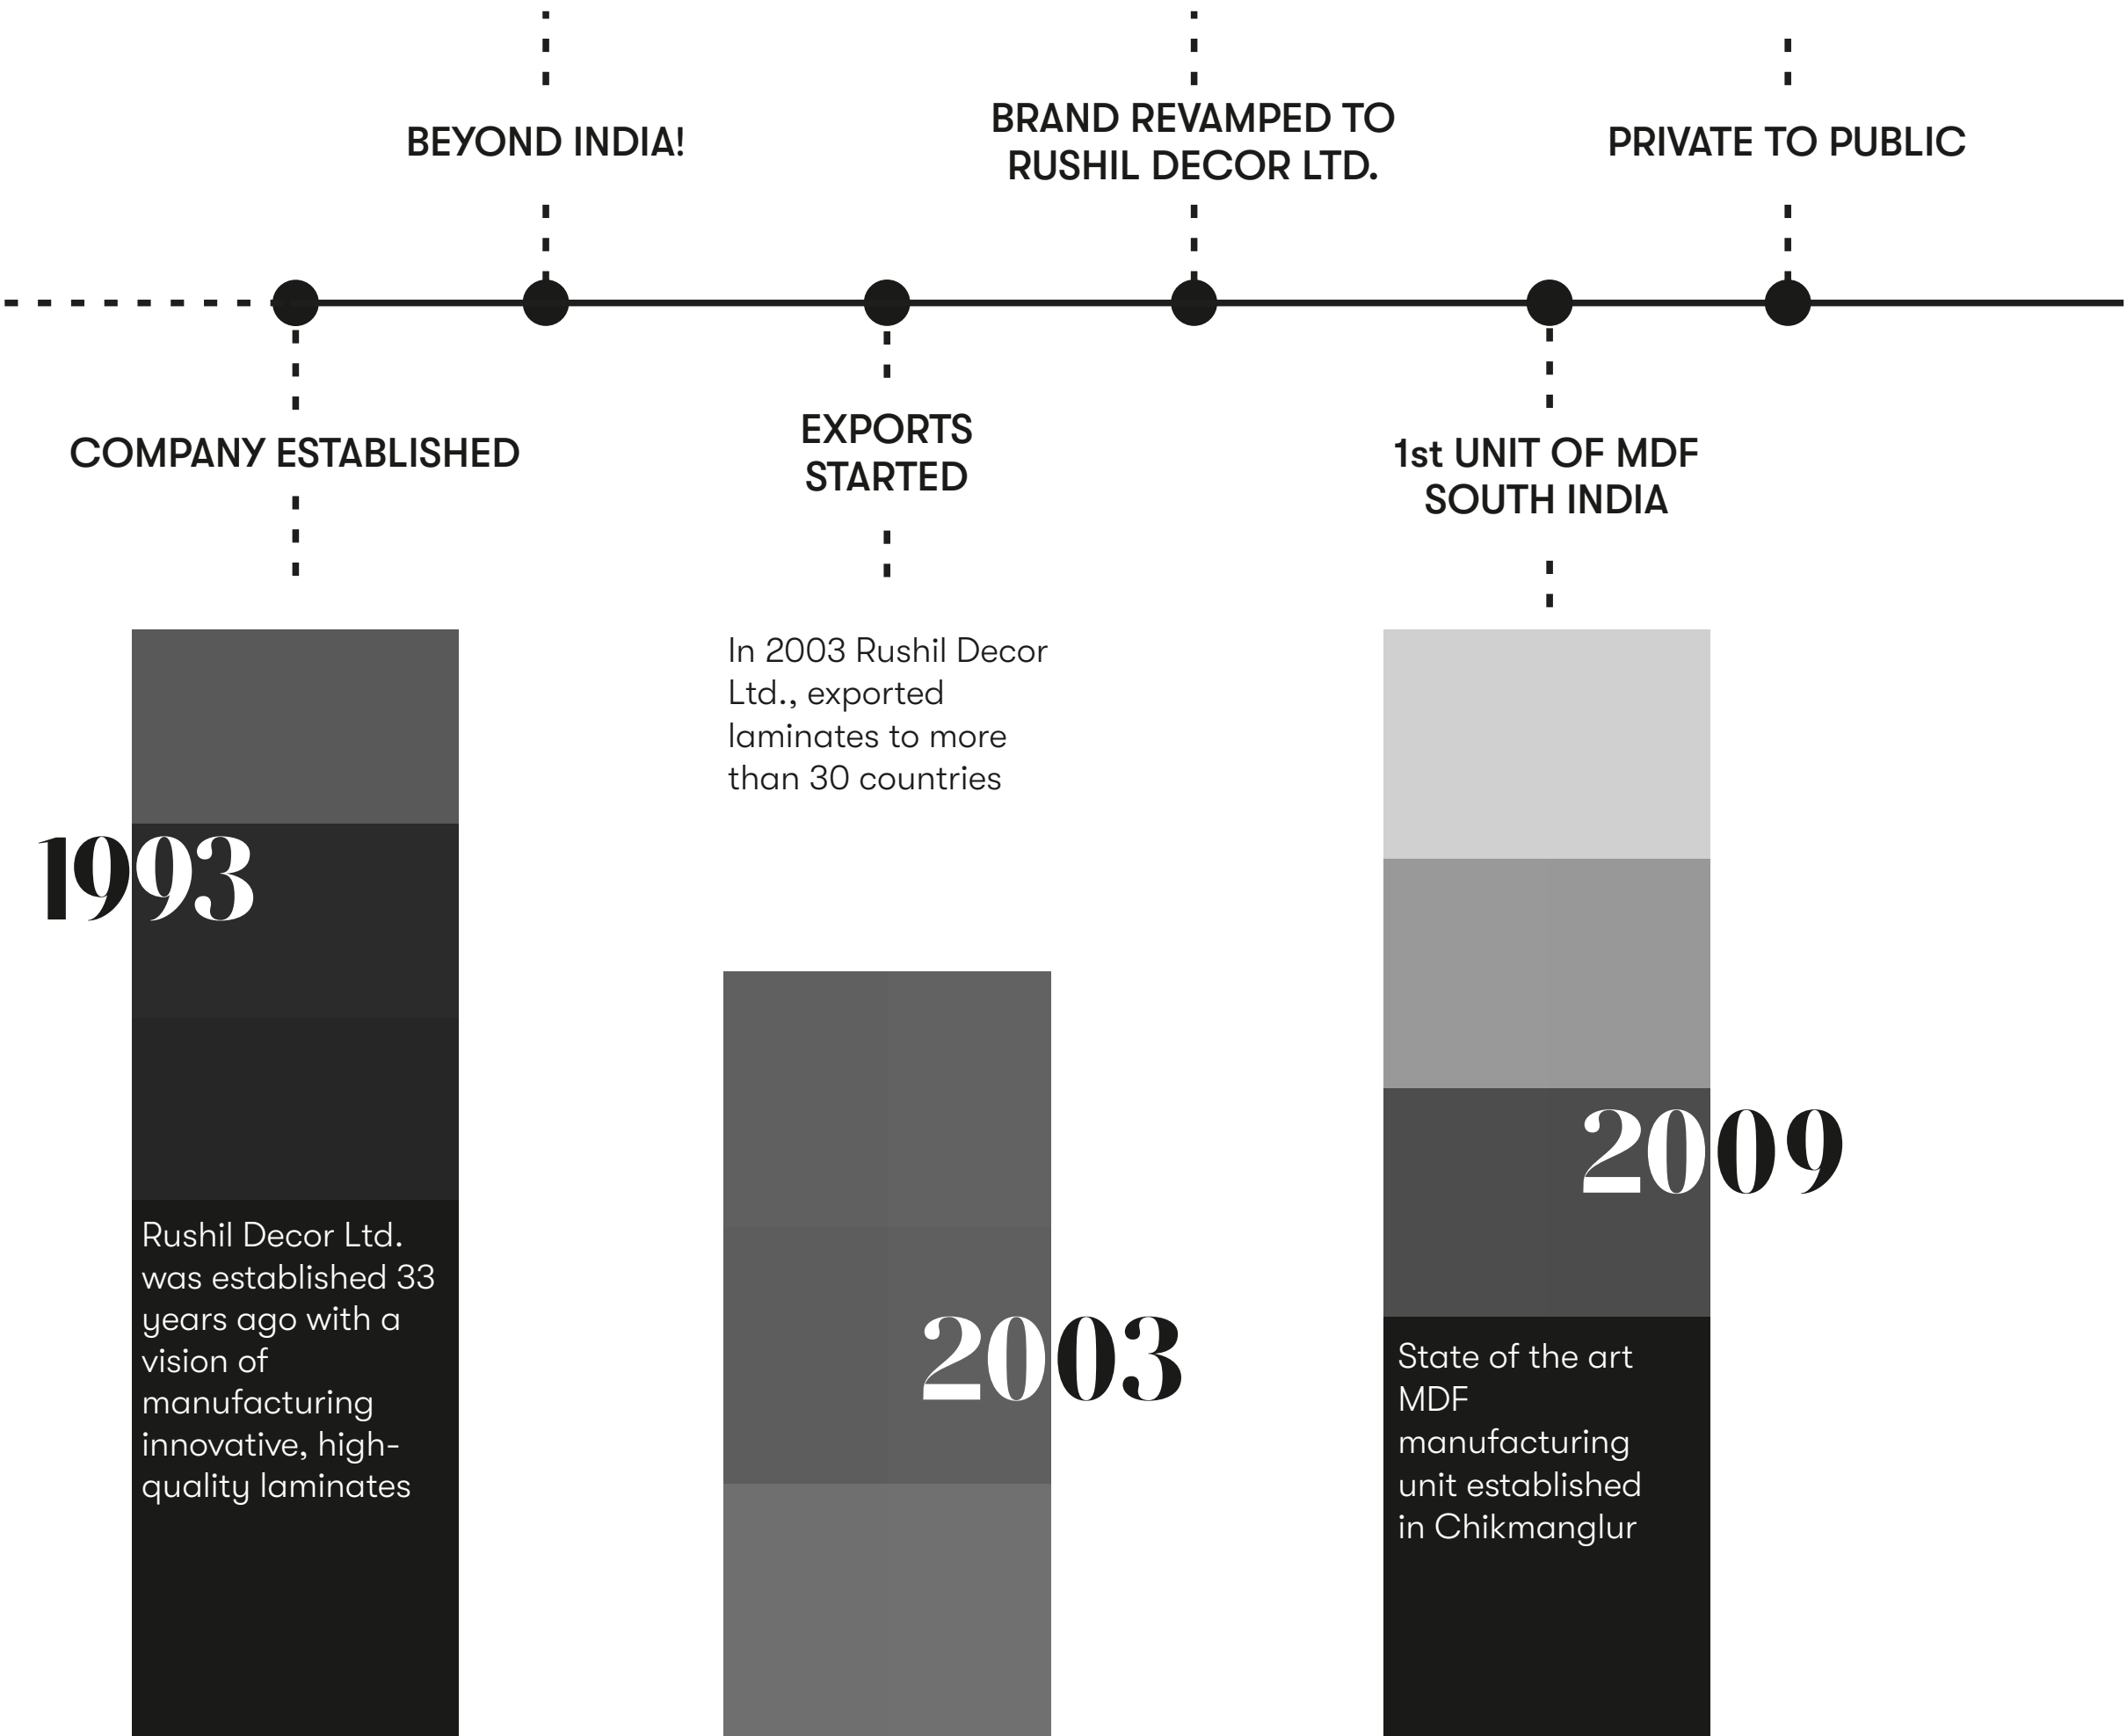

VIR
LAMINATE

Together, Vision, Value and Visual Identity define the core of the **V-BOOK CRAFTED** philosophy a new era where luxury is not only seen, but felt.
