Rushil Decor Ltd. is a pioneering name in India for crafting high-end, durable and promising quality solutions to empower you with rich and long-lasting experiences. Our company is a forerunner in manufacturing high-quality laminate, MDF panel boards and flooring products. Since our inception in 1993, we have established a global footprint in 56+ countries with our immaculate craftsmanship, excellence and our passion for combining expert knowledge with artistic vision that defines us.

Through our promising team, we strive to connect with our clients' emotions and panache through refined designs and unmatched experiences. You can count on us for absolute innovation and a myriad of choices to complement your vision for a contemporary home or office. With every passing day, we aspire to enlighten the world with trendsetting prospects and futuristic experiences.

With decades of experience, we have grown to elevate our proficiency, products, technology and management to offer the world our best possible services. Our plethora of exceptional products comprises laminates, HDF laminate flooring, MDF PRO boards (Interior grade), MDF PROPLUS boards (Exterior grade), MAXPRO HDFWR boards, Prelaminated MDF boards, Decorative laminates, PVC boards, WPC boards and WPC doors with superior properties, durability and classiness.

The Rushil hallmark of ideal quality is ensured by employing progressive technology in our manufacturing units. The Singapore Environmental Council's green-label certification and BIS's eco-mark certification reinforce our commitment to sustainable business practices. Our company adheres to health, safety and environmental (HSE) regulations to ensure the safety of our workers, the community and the environment.

At Rushil Decor, our passion for creating beautiful yet functional design surfaces and panel boards fuels our pursuit of enriching the quality of life for present and forthcoming eras through design, craftsmanship and innovation.

High Pressure Laminates

VIR Laminates are crafted to last, they are made from absorbent kraft paper that can withstand wear and tear over a period of time.

KLADS

- Meets European Standard
- Easy to install and maintain
- High durability
- Moisture resistant
- All-weather proof
- Impact resistant

Available Thickness:
6 mm (Customized thickness on demand only up to 15 mm)

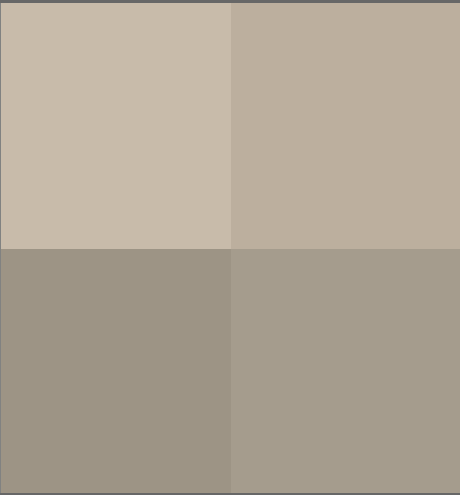

VTL and VTL+

The timeless designs, with almost zero-reflection matt finish, VIR Traceless will leave a mark on your mind and heart but allow no mark on the furniture. Apart from being fingerprint resistant, it is scratch proof too.

- Anti Finger print technology
- Water repellent
- No smears and smudges

FlexLam

VIR Post forming laminates are specifically created laminates that have bendability in addition to having all of the qualities of standard grade high pressure laminates.

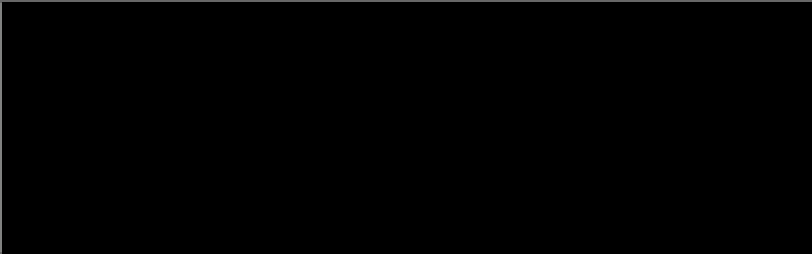

Unicolor

- Even and consistent look
- Highly durable
- Specialised product
- No dark edges

Digital Laminates

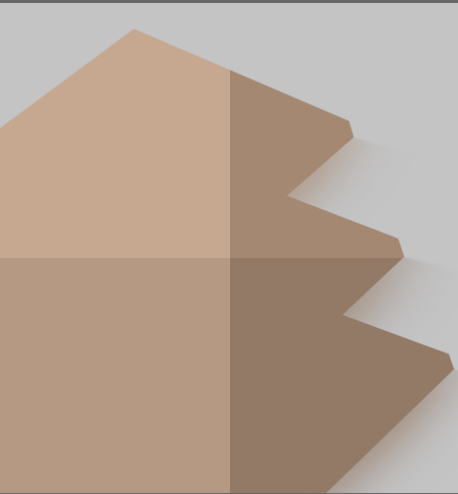

VIR Digital laminates are tailored to perfection as per the customer's choice of design or image.

Prelam

VIR Prelam MDF boards are made by compressing decorative melamine-impregnated paper onto MDF boards under controlled heat and pressure. They are available in various thickness and designs that enhance the interiors of homes.
